JIGSAW FINANCIAL SERVICES

About us

Jigsaw is a Risk Pool Administration company offering a unique focus on the Independent Financial Advisor, Employee Benefit Advisor and the Retirement Fund Administrator. Jigsaw's vision is to be South Africa's preferred provider in outsourced group risk administration and aligned services. We are a professional service and provide operational efficiency driven by a team fueled with energy, integrity, and human centric behavior.

Value proposition

- Choice through a variation of offers from leading insurance companies.
- Our Intermediaries have access to Jigsaw's knowledge and expertise.
- Opportunity through innovation for improved rates and relevant products.
- Simplicity and ease of business.
- We treat Intermediaries with empathy and respect. Our clients find confidence in the knowledge that Jigsaw puts them first.

Services offered

Jigsaw offers a full range of Group Risk products from leading insurance companies with sustainable rates from the outset. We offer you our specialised Risk and Product knowledge. We will provide you with Training on Group Risk Products as well as Underwriting guidance from quote stage. Jigsaw will also negotiate on your behalf to ensure the best terms and conditions. Your portfolio is managed by one specialised and dedicated team and all queries are escalated via Jigsaw with no need to deal directly with Insurance companies.

Reference and pricing

Jigsaws Pricing is determined by underlying pricing from the insurance company and our fees are governed in terms of the agreements we have in place with our insurers and compliant with respective legislation. The Adviser earns fees in accordance with the Long-term Insurance Act's scale and all parties earn on an "as and when basis". Advisers are paid monthly following the monthly premium collections reconciliation process.
